## Science Grant Scheme

The Edina Trust is happy to welcome Inverclyde schools onto the Science Grant Scheme.

All local authority primary schools, special schools and stand-alone nurseries in Inverclyde are eligible to apply for a grant of £550 towards a science project for the next three school years (2013 -14, 2014-15 and 2015-16)

This means your school can receive up to £1,650 worth of grants over the next three years!

There's no hurry to submit your application as you have until the end of the academic year but the sooner you start planning what you want to do with your grant the sooner you can get started!

### You just need to remember:

Retrospective applications are **not accepted**.

All applications **must** include:

- \* Project Description
- \* Proposed Project Date (**especially for a visit or science week**)
- \* Detailed break-down of costs

For help on filling out the Edina Science Grant application form please find available tips on our website at: <http://www.edinatrust.org.uk/TipsonApplying.html>

For ideas and assistance with application forms or science projects, please contact the Trust's consultant located in Inverclyde **Tom Clark** at [tomwc41@googlemail.com](mailto:tomwc41@googlemail.com)

**Update No.1:** 15th August 2013  
Charity Number: SC033562

Have you considered using your grant to fund science equipment or outdoor learning resources to ensure a lasting impact for science in your school.

Here are some ideas of resources from other Edina Trust Science Grant Scheme schools:

- \* Eruption Volcano Model
- \* Minibeasts Grab and Go Kit
- \* Friction Catapults
- \* Butterfly Garden Kit
- \* K'nex Super Classroom Set
- \* Light and Dark Activity Kit
- \* Science Question Cards

Please check out our website to find a list of science providers on our Resources page. There are also reports from Primary Schools in our other regions for inspiration.
