

Edina Trust

WELCOME BACK!!

The Edina Trust is happy to welcome back Inverclyde primary, nursery and ASN schools to the Science Grant Scheme. We hope you all had a lovely summer break.

This is the last year of the Science Grant Scheme in Inverclyde. Which means this is the last opportunity to receive a grant of £550 to put towards science equipment, science weeks, science workshops, science subscriptions, gardening resources or grounds for science projects!!!

In the 2014-15 school year Inverclyde schools received over £16,500 from the Edina Trust towards science based projects. Don't forget the science grant scheme is completely **non-competitive!**

You just need to remember:

Retrospective applications are **not accepted**.

All applications **must** include:

- * Project Description
- * Proposed Project Date (**especially for a visit or science week**)
- * Detailed break-down of costs (**excluding VAT**)
- * **Number** of pupils involved in the project

For more information see our website:

www.edinatrust.org.uk

For ideas and assistance with application forms or science projects, please contact the Trust's consultant located in Inverclyde: **Tom Clark** at tomwc41@googlemail.com

Update No.7: 20th August 2015
Charity Number: SC033562

SGS REPORTING:

Don't forget! Once your project has finished, please send in a report for your science grant.

We appreciate any feedback we are given; this can include: work generated during your project, photos of the children enjoying themselves, or feedback on anything you think may benefit from changes. You can also ask for an Edina evaluation form by emailing Grace.

Excellent reports from Super Scientists will receive a certificate and seeds for your school grounds!
