SGS REPORTS

Congratulations to all North Lanarkshire schools who successfully received an Edina Trust Science Grant during the last two academic years!

Don't forget the Edina Trust requires a report which needs to be submitted at the end of your project (or for science and gardening equipment, after 6 months). This doesn't mean any extra work for you or your school, we appreciate any feedback we are given; this can include: work generated during your project, photos of the children enjoying themselves, or feedback on anything you think may benefit from changes. You can also ask for an Edina evaluation form by emailing **Grace**.

Excellent reports from Super Scientists will receive a certificate and, for a limited time, free wildflower seeds for the school gardens.
