## Science Grant Scheme

The Edina Trust is happy to welcome North Lanarkshire schools onto the Science Grant Scheme.

**All** local authority primary schools, special schools and stand-alone nurseries in North Lanarkshire are eligible to apply for a grant of £550 towards a science project for the next **three school years** (2012-13, 2013-14 and 2014-15)

This means your school can receive up to £1,650 worth of grants!

There's no hurry to submit your application as you have until the end of the academic year but the sooner you start planning what you want to do with your grant the sooner you can get started!

The scheme is **non-competitive**; we do not want any school to miss out! Please contact Grace at the Edina Trust for an application form or more information: [grace.moore@edinatrust.org.uk](mailto:grace.moore@edinatrust.org.uk)

### Things to remember:

Retrospective applications are **not accepted**.

All applications **must** include:

- \* Project Date;
- \* Project Description;
- \* And a **detailed** break-down of costs.

### Science Projects can include:

- **Science visits** – for trips out of or visits to school
- The purchase of **science equipment**
- School **science weeks**
- **Science subscriptions**
- Improving school **grounds for science**
- **Gardening Clubs** (maximum £350)

**Update No. 1:** September 2012  
Charity Number: SC033562

Consider using your grant to fund science equipment or outdoor science resources, as this will ensure a lasting impact for science in your school.

A few examples of what schools have used their Edina grant for in previous years:

- Talking Microscopes
- Eruption Volcano Model
- Wormery
- Species Dominoes
- Pumping Heart Model
- Forensic Kits
- Digital Camera Microscopes

Please check out our website for loads more ideas on what to spend your grant money on. We have examples from primary schools in our Scottish regions and other areas for inspiration!
