

Edina Trust

Welcome Back!!

The Edina Trust is happy to welcome back South Lanarkshire primary, nursery and special needs schools to the Science Grant Scheme. We hope you all had a lovely summer break.

There are still two years of £550 science grants available to all South Lanarkshire primary and special schools and stand-alone nursery centres, this money is non-competitive and available to your school for any science project, science week or visit.

You just need to remember:

Retrospective applications are **not accepted**.

All applications **must** include:

- * Project Description
- * Proposed Project Date (**especially for a visit or science week**)
- * Detailed break-down of costs

For help on filling out the Edina Science Grant application form please find available tips on our website at: <http://www.edinatrust.org.uk/TipsonApplying.html>

For any further ideas or assistance with application forms or science projects, please contact the Trust's consultant located in South Lanarkshire: **Noleen Summers** noleen97@yahoo.co.uk

Congratulations to those schools who successfully applied for an Edina Trust Science Grant last academic year. Don't forget to send in your reports at the end of your project (or for science and gardening equipment, after 6 months). This does not mean any extra work for you or your school, we appreciate any feedback we are given; this can include: work generated during your project, photos of the children enjoying themselves, or feedback on any thing you think may benefit from changes. You can also ask for an Edina evaluation form by emailing **Grace** at grace.moore@edinatrust.org.uk

Update No.7: 15th August 2013
Charity Number: SC033562

Have you considered using your second grant to fund science equipment or outdoor learning resources to ensure a lasting impact for science in your school.

Here are some ideas of resources from other Edina Trust Science Grant Scheme schools:

- * Forensic Kits
- * Eruption Volcano Model
- * Minibeasts Grab and Go Kit
- * Friction Catapults
- * Butterfly Garden Kit
- * K'nex Super Classroom Set
- * Light and Dark Activity Kit
- * Science Question Cards

Please check out our website to find a list of science providers on our Resources page. There are also reports from Primary Schools in our other regions for inspiration.
