# Edina Trust Science Grant Scheme Report Form

## 4. Parental/community involvement

Please describe any parental or community involvement in the project, financial or otherwise:

## 5. Edina website

Please let us know if information from this report can be posted on the Edina website and/or Twitter account for other schools to view ([www.edinatrust.org.uk](http://www.edinatrust.org.uk) / [@EdinaTrust](https://twitter.com/EdinaTrust))

The Edina Trust would like to create an information bank of ideas to help schools with future science projects. If you have any lesson plans, activities or comments as a result of your science project and would like to share them with the Trust and other teachers via our website, please attach copies of these to your report or email us:
