

Edina Trust

Science Grant Scheme in Sunderland

The Edina Trust is a charity that aims to support and help to improve the quality of science education for primary school and early years pupils across the UK. We give non-competitive grants to state-funded schools in a selected area for three school years:

- ◆ £500 per year for all primary schools and special schools
- ◆ £250 per year for all infant schools and junior schools
- ◆ One £350 grant to all nurseries, including state-funded nursery schools and nursery classes within schools.

All you need to do is fill out our quick and easy application form. You may apply for any of the following:

- ◆ science equipment
- ◆ science trips or visiting workshops (**but we need to know the date!**)
- ◆ school science weeks or projects
- ◆ gardening clubs (**max £350**)
- ◆ developing an outdoor science area
- ◆ subscriptions to science services

For more information visit our website:

www.edinatrust.org.uk

Please note: the grant is intended to go towards a hands-on experience for the children. Unfortunately we cannot accept applications for expensive electronic devices such as iPads, 'furniture' type items such as seating or expensive storage, or CPD training for teachers/teachers notes and guides. **If you aren't sure about whether we will fund something, please ask!**

For an application form, please contact me:
samantha.moore@edinatrust.org.uk

I look forward to hearing from you!

You can also contact our local consultant, Geraldine, who is happy to offer advice to schools making an application. If you aren't sure on the best way to use the grant or want to discuss anything, please contact:
gjohnson.edinatrust@gmail.com

Update No. 1: January 2015
Charity Number: SC033562

EDINA TRUST IS MOVING!

The Edina Trust will be moving to a new office in March 2015, so our contact information will change.

Please email us to be sure we will get your message.

We are not yet certain precisely when we will move but we expect that **by 31st March** our new address will be:

**Edina Trust
Unit 6, Fenlock Court
Blenheim Office Park
Long Hanborough
Witney, OX29 8LN**

We will let all schools know our new phone and fax numbers as soon as we can.

REPORTS

Once your school has received a grant and made use of the new equipment, finished a project, or had a school trip, we like to hear about it! We ask that schools produce a short report; this can be written up, use work already produced in school (e.g. work done by the pupils or newsletters to parents), or alternatively the Edina Trust can provide a form to fill out. Please also let us know if you are happy for us to share the information online and with other schools.
